Dear Mr. Weisberg

Thanks for writing back and thanks for Broden's address. I wrote a letter to Groden on Wednesday and mailed it on Thursday. I am writing this on Sunday. I know This is to short of time for him to write back but I am expecting it soon.

So how's every thing going, So far my book is comming along. Charle and I are writing a short letter to the news paper, telling them about what I am doing and how long I have been researching the Kennedy assassination. Charle says it would be nice to tell every one and it may even help sell my book. Were writing that letter now so it would be printed on November 22. It may not even get to the papers. Charle knows some people on the press so it may work.

I got some more questions to ask. One is, Did oswald's rifle have a clip when it was found, And how many shots do you think hit Connally. I heard some people say two shots hit Connally but I personally think just one. See I am a hunter and I know quite a bit about guns and I believe just one hit him. If one of the assassins was using a high powered

Like I do believe one bullet Could wound Connelly. Not like the Warren Commission Said, but Connelly was facing left and a bullet went through his body and in to his Thigh.

I am finishing up on Whit Wash and after I am done I am going to take a little break on Kennedy. Im going to read a book about the Civil War. That should only take 2 or 3 days Then back on Kennedy.

So far I am doing good in School and I really dont ever have home work So have a lot of time to do what ever. So Any way Ill right back Again and If you would not mind Could your please tell me Jim Marrs's Address. I would like to write to him Some time Thanks Again.

With your permission I'll ask my mom to visit again Some time With in a few months. Take Care and tell your Wife hi for me.

Your friend
